NJAWI MEETING NOTICE

President: George Reitz
Vice President: Antony Jakubowski
Treasurer: John Gehman
Secretary: Daniel Smith

Planning For a Brighter Future

Jon Manchester a 12 year specialist in small business pretax benefits with Paychex Inc. (the nation's largest provider of 401(k) and Section 125 administration) Jonathan has traveled throughout the United States in his role as corporate trainer and now resides in Norristown, PA as the District Sales Manager assisting the proper explanation and set up of benefit plans. He is has been ARPC (Accredited Retirement Plan Consultant) Certified for over 4 years and also is a member of SPARK (The Society of Professional Asset-Managers and Record-keepers).

Jon will be providing a brief overview of the options available to small to medium sized business as well as tax saving initiatives available. The benefits of starting retirement program, Individual and business tax savings and attracting high-quality employees.

Future Trends

Edward Komito is the founder and President of Elk Capital Advisors, LLC and independent Registered Investment Advisor located in Allentown, PA. Ed has extensive experience in both the financial services sector and the construction industry having worked in both Fortune 100 companies as well as owning his own businesses. Ed attended Fairleigh Dickinson University where he obtained a dual major in both Finance & Economics. After graduating Fairleigh Dickinson, Ed went to work for American International Group in the Financial Services area as a Directors & Officers (D&O) Liability Underwriter. He later moved to Swett & Crawford (then a subsidiary of Continental Insurance) where he continued his

underwriting career, rising to the position of Senior Underwriter. Ed's practice focuses primarily on small businesses and high net worth individuals, especially in construction and allied fields.

Ed is planning on speaking about future trends. This will cover in a general sense technological tipping points and their impact on society. He will also briefly discuss interest rates and energy.
